

Breast Health

Knowing it exists is not enough, learn the risks and latest recommendations for screenings

Tuesday, October 16, 2018

12:00pm - 1:00pm | Room MC2-800

Speakers: Dr. Marc Boisvert, MD

Dr. Choi, MD

Dr. Boisvert and Dr. Choi, from Medstar Regional Breast Health Program will speak about and take questions on breast cancer risk, management of the high-risk patient, screening guidelines and the high-risk screening program in breast imaging.
