

Staying Cyber STRONG

Keeping World Bank Group Staff and Their Families Safe Online

Webinar, June 12th

8 AM (UTC -5) (Live Online Event)

Speaker:

Vaman Kini
Office of Information Security
World Bank Group

Join the World Bank Family Network for an informative presentation by **cybersecurity expert Vaman Kini**, who will share his insights on protecting you and your family in the digital age.

In his role leading the World Bank's Information Security Operations Center (ISOC), Vaman has a unique understanding of the **tactics used by cyber criminals** and deep technical understanding of the methods that criminals use to trick unsuspecting victims into cyber traps.

This webinar will provide **practical advice and strategies to safeguard you and your loved ones from latest online threats.**
