

Navigating the U.S. Healthcare System

A practical session for WBG staff and family members

Dr. Ranit Mishori

Chief Health and Safety Officer, Director, Health & Safety Directorate

Monday, September 28, 2026

1:00 – 2:00 PM (DC time)

Virtual session: link to be provided by WBGFN

WHAT WE'LL COVER

- ✓ How the U.S. healthcare system works
- ✓ Insurance basics and provider networks
- ✓ Primary care, urgent care, emergency
- ✓ Specialist care and referrals
- ✓ Telehealth services
- ✓ Preventive care and screenings
- ✓ Practical tips for newcomers and families

Who should attend: Staff and family members relocating to or newly arrived in the United States, spouses and partners, and anyone who wants to better understand U.S. healthcare.
