Introduction to the ADA

Come and learn about the Americans with Disabilities Act (ADA) which provide care to disabled family members.

Jeannette Kah Le Guil has over three decades of personal, and professional experience, including academic training in the field of interdisciplinary disability. Jeannette is a member of the ADA Leadership Network to train on the Americans with Disabilities Act (ADA) and on disability awareness to ensure communities are staying aware of ADA implementation and assure equality of opportunity and full participation for individuals with disabilities.

Is Your Child Struggling? It's Time for a Shift!

Learn how to diminish fear and anxiety and support your child in being successful.

This interactive session will engage you in a discussion on how to:

- Understand and learn from your child
- Adopt a strengths-based approach
- Foster partnership, and let go of control

This session is appropriate for parents, caregivers and families of children of all ages.
