

IDEAS *into* ACTION

EVENT 3: Future-Proofing Your Career

Sponsored by: World Bank Family Network

Join the reskilling revolution. The impact of digitization will change the nature of work. Did you know in the next 5 years 7.1 million jobs will be lost and 2.1 million new jobs created? PricewaterhouseCoopers - PwC's Global CEO Survey 2018 found that there simply aren't enough people with the skills businesses need, and that challenge is going to get harder to meet as business models evolve amid lightning-fast technological change.

Come and learn how to become part of the revolution and retain your employability.

Keynote Speaker:

Somdatta Ghosh is Director Internal Audit, Risk Management and Compliance Services at PricewaterhouseCoopers (PwC). She has over 15 years of experience in risk assurance and consulting. She has extensive project management, operations management and global delivery management experience.

The keynote presentation will be followed by an interactive panel discussion and Q&A.

June 6, 2018
12:00 pm to 2:00 pm

The World Bank J Building, J1-050
701 18th St NW Washington D.C. 20006

Light refreshments will be served before the event. **Registration is limited to staff and members of the participating organizations. Please register at wbfm.org by Friday June 1, 2018**

This is the third in a series of the three 'IDEAS INTO ACTION' workshops designed to provide participants with information and tools to help them future-proof their career.
