

Why attend the Career Lab?

This is what some participants say about their Career Lab experience: “life changing”, “seeing people like me”, “lost-aiming-taking a shot”, “overwhelmed to open-doors”.

Who is it for?

The Career Lab is for spouses and partners of WBG who have recently arrived in Washington DC, have taken a career break or considering a career switch.

What could I gain?

The Career Lab offers:

- Career Management strategies for the globally mobile professional
- An arena to gain new skills, update old skills
- Rediscover possibilities and opportunities
- Resources related to professional development
- Opportunities for exploration and discovery
- A psychologically safe space
- A support group of likeminded people

Overall Self-Reported Outcomes of Career Lab for FY18

58.6% of participants have positive self-reported outcomes. Breakdown as follows:

	Next Steps	11
	STC	8
	Work FT	6
	Studying	8
	applying/interviewing	7
	business	6
	volunteering	3
	internship	2

The motivational impact and mindset shift is not reflected in the reported outcomes. This also makes a huge difference to the well-being of participants.
