## Virtual Learning Opportunities for Children [13-months to 8 Yrs old] - Registration Open

The World Bank Children's Center (WBCC) is introducing <u>Virtual Learning</u> opportunities for families offering parents and caregivers a framework for daily activities that will challenge and stimulate a child's brain development. These <u>Virtual Learning Sessions</u> target the most crucial age for brain development, ages 13 months until 8 years of age.

Our *Virtual Learning Sessions* will have hourly sessions, Monday to Friday, with different times to choose from, starting August 31 through October 2. The sessions will target your child's developmental growth by providing challenging, fun, and age appropriate activities. Our teachers will be the moderators, and a parent, caregiver, nanny, grandparent, or a child on their own can be the audience.

TODDLERS (13 -24 months) Bonding Time & Support Team for Parents of Young Children TWOS & YOUNG PRE-SCHOOL (25-35 months) Support Team for Parents

PRE-SCHOOL (36–47 months) & PRE-KINDERGARTEN (48-50 months) Fun & educational activities

## BEGINNER'S FRENCH Classes & AFTERNOON of FUN ACTIVITIES for 4-8 YEAR OLDS

- For younger children (under 30 months) an adult must be present. Older children will need adult assistance only sporadically since we want them to foster independent skills. For older preschoolers & elementary school aged children, WBCC is ready to offer small group fun activity sessions in the afternoons to help your child virtually socialize with friends and ease the burden on parents' already busy schedules.
- During virtual learning, we are emphasizing *Hands on Activity* for your child. Along with the curriculum, is a list of the educational supplies that your child will need.
- In all age groups, we are incorporating useful topics for parent discussions, such as: potty training; moving from crib to cot; transitions; kindergarten readiness; biting; sibling rivalries; etc. Parents will also be given the option to suggest topics to be discussed.

Click on the links in each of the time slots to view the scheduled activities. To register, click on the age group at top of each column, that will take you to our registration in Survey Monkey. For inquiries, send an e-mail to childcare@worldbank.org.
